

SHADH have teamed up with Stamps n All in Plymouth to recycle goods to help the environment and raise money towards our work!

Here's what they can recycle:

- **Any stamps including collections** – used or unused. If they are on envelopes or cards, please leave about half a centimetre round the edges. Please don't peel off stamps - it reduces their value. If the stamps are on envelopes or cards postmarked before 1970, do not remove them. This is because they can be worth more as a collectible item still complete on the envelope. Also now wanted any of the large white or Gold Labels now used by Post Office.
- **Any Postcards. Pre-1940s birthday cards. World War 1 silk cards** – with or without stamps on, but don't remove stamps from postcards if they are on them.
- **Envelopes and first-day covers** – old, interesting looking, even containing their letters.
- **Coins and bank notes** – old or new, from anywhere in the world, obsolete or otherwise.
- **Precious metal** – including broken jewellery, old trophies, gold, silver etc.
- **Medals and badges** – and that is not limited to military items either.
- **Costume jewellery** is accepted.
- **Keys** – any age or type including locks.
- **Watches** – analogue, digital, working or not.
- **Mobile phones** – any age or type providing they are not physically damaged.
- **Small antiques** – generally the small table trinkets, old stoneware bottles and pot lids, dolls heads etc (pre 1930 only please).

Take a look in the loft. You would be amazed how much that old junk could raise for SHADH!

Large collections by special arrangement. Telephone 01752-296-369 Mon – Wed & Fri 9am to 5pm.

Small lots can be mailed direct to Stamps n All at address below:

Remember, always ask for real stamps when posting anything, instead of the computer generated label. If you ask nicely you'll be able to get good commemoratives and possibly even a circular date stamp depending on service used.

Stamps n All (Sole Trader), which means that all goods donated for charities are paid, but the sole trader profits from goods donated.
